

SERIOUS INJURY OR DEATH

If incident occurred at facility:

- Call 9-1-1. Do not leave the child/person unattended.
- Notify CPR/first aid certified people in the facility of medical emergencies (names of CPR/first aid certified people are listed in the Crisis Team Members section).
- If possible, isolate affected child/person.
- Initiate first aid if trained.
- Do not move victim except if evacuation is absolutely necessary.
- Notify administrator.
- Designate staff person to accompany injured/ill person to the hospital.
- Administrator notifies parent(s)/guardian(s) if it is a child.
- Direct witness(es) to psychologist/counselor/crisis team if needed. Notify parents if children were witness(es).
- Determine method of notifying children, staff and parents.
- Refer media to designated public information person for the facility.

If incident occurred outside of facility:

- Activate medical/crisis team as needed.
- Notify staff if before normal operating hours.
- Determine method of notifying children, staff and parents. Announce availability of counseling services for those who need assistance.
- Refer media to designated public information person for the facility.

Post-crisis intervention:

- Discuss with counseling staff or critical incident stress management team.
- Determine level of intervention for staff and children.
- Designate private rooms for private counseling/defusing.
- Escort affected children, siblings and close friends and other “highly stressed” individuals to counselors/critical incident stress management team.
- Assess stress level of staff. Recommend counseling to all staff.
- Follow-up with children and staff who receive counseling.
- Designate staff person(s) to attend funeral.
- Allow for changes in normal routines or schedules to address injury or death.
